SECTION 11: Toxicological Information 11.1 Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. Potential Acute Eye Exposure: No adverse effects expected from normal use. Health Effects and Symptoms: Skin Exposure: No adverse effects expected from normal use. Potential Chronic Health Effects: None known Acute Toxicity: Based on available data, classification criteria are not met. Skin Corrosion/ Irritation: Based on available data, classification criteria are not met.			Strong acids, bases, and oxidizing agents.	
Decomposition Products: No hazardous decomposition products are known. May produce oxides of carbon and/or nitrogen on combustion. SECTION 11: Toxicological Information Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. Potential Acute Eye Exposure: No adverse effects expected from normal use. Health Effects and Symptoms: Skin Exposure: No adverse effects expected from normal use. Inhalation: No adverse effects expected from normal use. Inhalation: No adverse effects expected from normal use. Potential Chronic Health Effects: None known Acute Toxicity: Based on available data, classification criteria are not met. Skin Corrosion/ Irritation: Based on available data, classification criteria are not met.				
Products: SECTION 11: Toxicological Information 11.1 Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. Potential Acute Eye Exposure: No adverse effects expected from normal use. Health Effects and Skin Exposure: No adverse effects expected from normal use. Inflation: No adverse effects expected from normal use. Inhalation: No adverse effects expected from normal use. Potential Chronic Health Effects: None known Acute Toxicity: Based on available data, classification criteria are not met. Skin Corrosion/Irritation: Based on available data, classification criteria are not met. Serious Eye Based on available data, classification criteria are not met.	10.6		No hazardaya dagampagitian producto are known. May produce svideo of gerban and/or nitragon on combustion	
SECTION 11: Toxicological Information 11.1 Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. Potential Acute Eye Exposure: No adverse effects expected from normal use. Health Effects and Skin Exposure: No adverse effects expected from normal use. Symptoms: Ingestion: May cause gastrointestinal discomfort if swallowed. Inhalation: No adverse effects expected from normal use. Potential Chronic None known Health Effects: None known Acute Toxicity: Based on available data, classification criteria are not met. Skin Corrosion/ Irritation: Serious Eye Based on available data, classification criteria are not met.		-	no nazardous decomposition products are known, may produce oxides of carbon and/or hitrogen on combustion.	
11.1 Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. Potential Acute Eye Exposure: No adverse effects expected from normal use. Health Effects and Skin Exposure: No adverse effects expected from normal use. Symptoms: Ingestion: May cause gastrointestinal discomfort if swallowed. Inhalation: No adverse effects expected from normal use. Potential Chronic None known Health Effects: None known Acute Toxicity: Based on available data, classification criteria are not met. Skin Corrosion/ Irritation: Serious Eye Based on available data, classification criteria are not met.		Products:		
11.1 Information on Toxicological Effects: No data available on the product. Health effects of the product are derived from ingredient literature review and concentrations present. KILLER.TWIRLS

SAFETY DATA SHEET

	Respiratory or Skin	Based on available data, classification criteria are not met.
		No components at levels greater than or equal to 0.1% are listed as a mutagen in EU Regulation (EC) No. 1272/2008 [CLP].
		No components at levels greater than or equal to 0.1% are listed as a human carcinogen in EU Regulation (EC) No. 1272/2008 [CLP], IARC, US-OSHA, or NTP.
		No components at levels greater than or equal to 0.1% are listed as a reproductive toxin in EU Regulation (EC) No. 1272/2008 [CLP].
	Exposure:	
	STOT-Repeated Exposure:	Not classified due to lack of data.
	Aspiration Hazard:	Not classified due to lack of data.
	Other Information:	No other relevant information available.
SEC	TION 12: Ecological	Information
	Toxicity:	Based on available data, classification criteria are not met.
	Persistence and	
	Degradability:	No data available
12.3	Bioaccumulative Potent	ial:
	n-octanol/water	Not available
	Bioconcentration Factor (BCF):	Not available
12.4	Mobility in Soil:	No data available
	Results of PBT and	
	vPvB Assessment:	Not available
12.6	Other Adverse Effects:	No other known adverse environmental effects or critical hazards.
	TION 13: Disposal C	
13.1	Waste Treatment Metho	
	Waste Disposal:	Dispose of waste material and containers in accordance with appropriate local, regional, and national regulations. Do not dispose through sewage. Empty containers should be taken to an approved waste handling site for recycling or disposal.
	Special Precautions:	No relevant additional information available.
	TION 14: Transport	
14.1	UN Number:	Not regulated
14.2	UN Proper Shipping	Not regulated
	Name:	
	Transport Hazard Classes:	Not classified as a dangerous good under transport regulations.
	Packing Group:	None
14.5	Environmental	None
	Hazards:	
	Special Precautions for User:	Transport within user's premises: Transport in closed containers that are upright and secure. Read SDS before handling.
14.7	Transport in Bulk According to Annex II of Marpol and the IBC Code:	Not applicable
SEC	TION 15: Regulatory	Information
		ronmental Regulations/Legislation Specific for the Substance or Mixture:
	EU Regulation (EC) are listed.	No. 1907/2006 REACH Article 59(10) and Annexes XIV and XVII, as amended : No components in this product
	EU Directive 2012/18	8/EU on major accident hazards involving dangerous substances: Not regulated No. 1005/2009 on substances that deplete the ozone layer, Annex I and II, as amended: No components in
