

Body Sun Lotion SPF50

Parfumefri, vandafvisende, ikke-klistrende og koralvenlig formular fri for oxybenzone og octinoxate. Denne bredspektrede formular med SPF 50 beskytter effektivt huden mod skadelige UVA- og UVB-stråler. Med sin lette konsistens vil produktet ikke tilstoppe porerne, men i stedet efterlade en nærende og åndbart lag – hvilket gør den ideel til alle hudtyper, herunder uren hud. En let, behagelig og fugtgivende lotion, der hurtigt absorberes ind i huden uden at klistre eller hvidte.

HUDTYPE

Til alle hudtyper.

HVORDAN

Påfør et generøst, tæt lag på kroppen, før huden eksponeres for sol (brug en håndfuld – omkring 40 ml til hele kroppen). Påfør igen hver anden time, mens du befinner dig i direkte sollys samt efter at have tørret huden af, svømmet eller svedt. Vær opmærksom på, at solcreme ikke tildeler 100% beskyttelse imod Uv-stråler.

Den bedste beskyttelse er at holde sig ude af direkte sollys mellem formiddag og klokken 15, hvor solen er stærkest.

ADVARSLER

Undgå kontakt med øjnene. Advarsel: At reducere kvantiteten vil svække produktets beskyttelsesniveau betydeligt.

COPENHAGEN

BODY SUN LOTION
high protection SPF

50

contains natural, organic ingredients & hyaluronic acid

water-resistant

UVA UVB

150 ML / 5.07 FL.OZ

BENEFITS

Fragrance-free, water-resistant, non-sticky, and coral-conscious sun lotion for the body, free from oxybenzone and octinoxate. This broad-spectrum formula with SPF 50, antioxidants, and hyaluronic acid effectively helps protect skin from harmful UVA and UVB rays. With its lightweight consistency it leaves behind a nourishing and breathable layer making it great for all skin types. Leaves skin with a not-too-dry, not-too-matte finish. No cast, no greasy residue. Just goes on sheer.

Sun protection for the whole family.

The product complies with the Hawaii Reef Bill requirements.

HOW TO APPLY

Apply a generous, even layer onto your body before sun exposure (use a handful – about 10 ml/1.36 fl. oz. for the whole body). Reapply every 2 hours when in direct sunlight, after toweling, swimming, or sweating. Please remember that sunscreen does not provide 100% protection from UV rays. The best protection is to avoid direct sunlight between noon and 3 PM when the sun is strongest. **Warning:** Reducing this quantity will significantly lower the level of protection. For all skin types.

INGREDIENTS

Aqua, Dibutyl Adipate, Acacia Bark Extract, Diallylamine Hydroxybenzoate, Hexyl Benzoate, Ethylhexyl Triazine, Diisopropyl Ether*, Propylheptyl Caprylate, Bis-Ethylhexyloxyphenyl Methoxyphenyl Triazine, Oryza Sativa (Rice) Bran Wax*, Dimethyl Isobutyleneglycol, Dimethyl Isobutyleneglycol, Dimethyl Isobutyleneglycol, Copolymer, Hydrogenated Polyisobutylene, Cetyl Alcohol, Cetearyl Alcohol, Glycerin, Stearic Acid*, Argania Spinosa Kernel Oil, Maltodextrin, Cetearyl Sulfate, Cetyl Alcohol, Phenoxyethanol, Urea, Cetekins Ounc, Triclosan, Ethylhexylglycerin, Caprylic Glycol, Arginine*, Acacia Senegal Gum*, Tocopherol, Citric Acid*, Tocopheryl Acetate, Xanthan Gum*, Coco-Glucoside*, Saccharide Isomerate*, Sodium Hyaluronate*, Sorbic Acid, Disodium Lauryl Sulfosuccinate, Sodium Chloride*, ORGANIC: 10%, NATURAL: 42%, VEGAN, pH VALUE: 5.2 - 5.5
