

WOWBROW

BROW & LASH SERUM

(EN) DESCRIPTION: Enhance growth, length, thickness and strength of hairs on both eyebrows and lashes. Significant improvement can be seen as early as one month after use.

How to use: Apply directly to the skin at the base of eyebrow hairs and/or at the upper eyelash line. If you miss a dose, simply apply WOWBROW - Brow & Lash Serum the following evening.

Precautions: Avoid contact with eyes. Discontinue use if redness or irritation occurs. Consult your doctor if redness or irritation persists. If you are being treated for an eye condition or other medical conditions, use the product under the supervision of your doctor. Do not use if sensitive to any of the ingredients on the label. Keep out of reach of children.

Ingredients: Aqua, Cetearith-30, D-Sorbitol, Propanediol, Glycerin, Phenoxyethanol, Propylene Glycol, Ethylhexylglycerin, Citric Acid, Potassium Sorbate.
