

[HAIR PRODUCT]

HEAT PROTECTION SPRAY

UK:

Heat Protection Spray is designed to protect your hair when using electric appliances - and is the perfect protection against heat from a hairdryer. The spray contains argan oil that has an anti-static, anti-frizz and moisturizing effect. Shake the spray firmly before use and apply to damp hair before drying or styling. Can also be used in dry hair as a light-weight oil.

DK:

Heat Protection Spray er udviklet specifikt til at beskytte håret ved brug af elektriske tools - og er den perfekte beskyttelse mod varmen fra en føntørrer. Sprayen indeholder arganolie, der giver en anti-statisk effekt, modvirker krus og har fugtgivende virkning. Flasken rystes grundigt før brug og sprayeres i håndklædetørt hår. Kan også bruges i tørt hår som en letvægts-olie.
