Thank you for choosing us! We're glad that this one found a new home.

At Kreafunk we combine creativity, functionality and love of music with technology and the latest colour trends.

But we are more than that. Kreafunk products are created to be with you at all moments. Big and small.

Hope you'll love it.

This stylish product is made from 100% recycled plastic

In favour of the planet, we created this box from 100% recycled paper, which means it's been on many adventures before turning into this protective piece of packaging.

The fabric on this product is made of 98% recycled polyester from Gabriel, a certified 100% recycled brand. This is a really cool kind to the planet. We like being kind.
