A Snail's Pace Will Win the Race

Itemnumber: 21429

GTIN/ ISBN 4005556214297

Description

Six colourful garden snails are ready to race. Which snail will come in first and which will finish last? Who can guess the outcome? To find out, roll the two coloured dice and start the race! A cooperative game with real wooden playing pieces. On your marks, get set, snail! Who's got the feelers ahead in the race to the green lettuce? The player who is up rolls both color dice and moves the matching snails one space each. Now pass the dice to the next player and the race is on again. The game ends when a snail reaches the lettuce. This snail has won and can feast on it. (Of course, the last snail can also be the winner - depending on the variation). A popular classic that convinces with its high-quality wooden snails!

Content

1 playing board, 6 wooden snails, 2 colour dice

Highlights

- The popular snail race classic promotes the first understanding of rules, color recognition, and concentration, thus ensuring the playful development of children from 3 years old.
- The players roll the color dice and move the corresponding snails forward. The first player to roll a snail over the finish line wins the game
- Thanks to the suspense, a playing time of 10-15 minutes and 2 - 6 players, the learning game becomes a fun children's game for the whole family
- The children's game is ideal as a travel game as well as a birthday present, Christmas present or Easter present for boys and girls from 3 years old
- From Our Family To Yours – Ravensburger has been making quality games since 1884. Our games create quality time with family and friends.
