---

Congratulations with your new Candleholder designed by Space Copenhagen. We hope you will enjoy using these products and follow these instructions to ensure correct use. If you have any questions or comments, please do not hesitate to contact us by mail on: [info@andtradition.com](mailto:info@andtradition.com)

The candleholder is made from cast brass with a brushed finish. The surface will change appearance over time and will develop a unique and beautiful patina.

To remove wax, use hot water and wipe immediately with a soft cloth.

The candleholders are not dishwasher safe and do not use any aggressive or abrasive cleaning agents.
