Thank you for choosing us! We're glad that this one found a new home.

At Krefunk we combine creativity, functionality and love of music with technology and the latest colour trends.

But we are more than that. Krefunk products are created to be with you at all moments. Big and small.

Hope you'll love it.

In favour of the planet, we created this box from 100% recycled paper, which means it's been on many adventures before turning into this protective piece of packaging.
